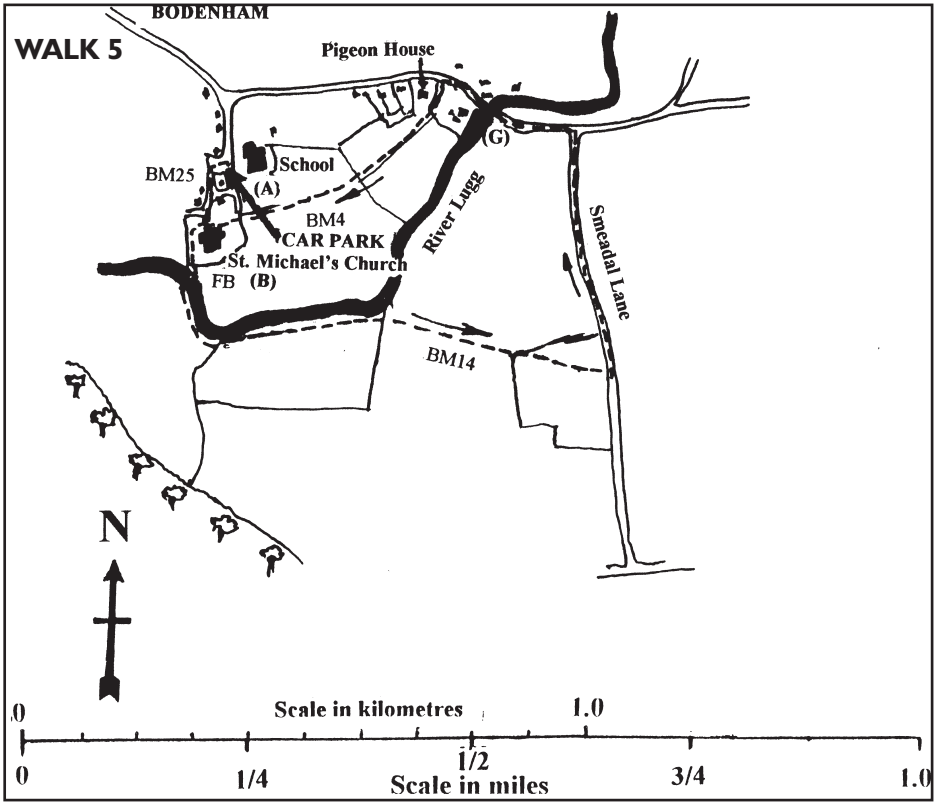
Explorer 202 or Pathfinder 994 GR 531 511

From the car park (A) take the footpath, Church Walk, immediately opposite the school gate. Enter St Michael's churchyard and, keeping the Church on your left, continue through a metal gate and cross the River Lugg by the footbridge (B).

Turn left signposted "Bodenham Moor" and follow the river, cross two stiles and here, where the river turns left, keep straight ahead on the same line to a stile in the hedge ahead. Cross this and the next field where a stile takes you into Smeadal Lane. Turn left to the tee junction.


Turn left again to cross Bodenham Bridge (G) and shortly afterwards take the kissing gate on the left passing through two more kissing gates behind the Pigeon House (G). Continue across two fields to re-enter the churchyard by a metal kissing gate and return to the car park via the lych gate.
