Dear Friends,

The long days of summer have arrived:

“Now summer is in flower and natures hum
Is never silent around her sultry bloom
Insects as small as dust are never done
With glittering dance and reeling in the sun
And green wood fly and blossom haunting bee
Are never weary of their melody.”

(John Clare, June, from The Shepherds Calendar)

We may not share John Clare’s observant eye and powers of description but we can share his enthusiasm and great love of the countryside, surrounded as we are by the riches of our border counties. The Bible is full of the poetry of praise and thanksgiving for God’s Creation and Jesus, in our Gospels, tells stories and parables that use the familiar scenes and sights of the rural, agricultural life of Galilee as their themes.

Where we live and what is around us inspires us and challenges us. We see the richness and fertility of the good land that produces so much of our food, we can walk in wilder places and admire the landscape of rivers, hills and mountains. There is an old Celtic prayer from the Outer Hebrides that speaks of God’s presence in all things:

“There is no plant in the ground
But is full of his virtue,
There is no form in the strand
But full of his blessing.

There is no life in the sea,
There is no creature in the river,
There is naught in the firmament,
But proclaims his goodness.

There is no bird on the wing,
There is no star in the sky,
There is nothing beneath the sun,
But proclaims his goodness.”

While we give thanks for the land and places around us we know that in so many parts of the world there is drought, famine, war and great sorrow. God’s blessing and goodness of the Celtic prayer may be obscured by poverty and fear. In our thanksgiving there is also prayer for people and places blighted by so many disasters. Through so many Aid agencies and Charities we work to bring peace and new life to all the world. The world John Clare celebrates, the world Jesus came to bless with his presence, the world we live in that needs our prayers and support to bring hope and blessing to countries and people who are unable to rejoice freely in the glories of Creation.

Yours in Christ,

Heather

Parish meetings
The next meeting of the Parish Council will take place at 7.30pm Monday 1st June at the Siward James Centre. Copies of the agenda and draft minutes of the previous meetings are placed in advance on parish notice boards and on the parish website (www.bodenhamparish.org.uk). Everyone is most welcome to attend and raise any matters of concern during the slot reserved for this purpose. If you prefer, you can raise matters in advance by contacting Chris Smith, Parish Clerk, on 01568 797132 or by email at bodenhampcclerk@gmail.com.

Reader’s Letter:
Hog Roast

As residents of Siward James Close, we were very disappointed to read in the newsletter (April 15) that Bodenham Bowling Club are no longer able to host the hog roast at Siward James, an event that most of the residents enjoyed annually.

We were always invited and made most welcome.

We hope that most of us will be at the new venue in the village hall and that it will be a success, as it was here.

Guides News

1st Marden Guides had a hands-on day of science investigation at a special event held at Birmingham’s Thinktank Science Museum. We were among 250 Brownies, Guides and their Leaders from across the Midlands who took part in the scientific spectacular on Saturday April 25th. We tried out messy experiments in a lab workshop, chatted to polar scientists about their work, saw a science show in the Thinktank theatre and were transported out of this world with a tour of the night sky in the museum’s digital planetarium.

We also explored Thinktank’s outdoor Science Garden and themed galleries, which are packed with hands-on interactive activities.

During the day the girls also worked towards their Guide Science badge.

The event was run as part of Thinktank’s Guide Science link-up project with Girlguiding Midlands.

The Government-backed scheme aims to inspire girls and young women with science.

We are now busy planning our summer camp in the Cotswolds.

If you would like to join us at Guides, please contact Alison on 01432 880094 or email mardenguides@outlook.com

St Michael’s CE Primary School News

**Summer Production:**
This year’s Summer Production is “Aladdin”, and is once again in the early stages of being put together as you read this! The dates for the performances are Tuesday 7th and Wednesday 8th of July. Please remember that only the children in Years 3, 4, 5 and 6 will be performing in this production.

**A Request From Class One:**
If anyone has any unwanted or spare foil dishes or plates etc. we would be very grateful if they could be brought into school for us to use as part of the learning for our Space topic this term.

**Year Six SATs:**
Well done to our Year Sixes, who this week have been sitting their Standard Attainment Tests, before they leave Primary education for ever and enter Secondary school. It has been a stressful time but they have all tried their very hardest! Well done also to all of the staff and adults who work with them.

**Buddies Helpers:**
Thank you to all of those people who give up time to help at “Buddies”. We really could do with more adults to support and so lighten the load a little. If you are able to even help just a few times, please see Sophie Allen (mum of Mac and Cody). Thank you.

**Dance Sessions:**
After half term we have organised a series of dance sessions for our younger children based on the topic that they are studying in class. These will be led by Mrs. Laura Gale (the wife of Pete Gale, our cricket coach). We look forward to seeing the results of these sessions in due course!

**Half term:**
Please remember that the week after next (25th—29th May) is the date of our annual Summer half term break, and school will be closed during this time. We will be open for business as usual again on Monday 1st June, at 8.50 am (or 8 am for Sunrise Club).

**From St. Michael’s Church:**
Face Painters are really needed for the Church Fete on Saturday afternoon **13th June**. If anyone would be able to help with this please contact Mrs. Veronica Howell on 01568 797839. Thank you very much.

**Dates for your diary:**
We are now booking in dates (weather permitting and so on!) for some of our major events during this summer term. In order for people to have as much notice as possible, we have included them here:
