About your team

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in West Mercia safe. Thanks to an investment in mobile tablet style computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you contact us - in person (on the street, at community bases and at partners and communities together [PACT] meetings), on the phone or online.

Take A Few Simple Steps To Avoid Becoming A Victim Of Burglary

- Set a timer switch to turn your lights on when it gets dark – unlit houses are a give away that no one is at home.
- Lock your doors, patios and downstairs windows – even when you are in. Make sure you double check them again before you go to bed.
- If you have a burglar alarm, make sure you set it when you got out and also when you go to bed.
- Don't leave car keys, ID cards or valuables near windows, doors or letterboxes, where burglars can reach through to steal them.
- Lock your garden gates and side entrances. Don't leave tools lying around in the garden which could be used to break in to your home.

If you have information about a burglary phone the police on 101

Rural Watch Newsletter

Good Afternoon folks,

There has been further thefts of tools from vehicles near Bromyard Town. This type of crime is happening all across Herefordshire, so please spread the word to any workman you know.

I appreciate that sometimes there is no choice to but to leave tools in work vehicles overnight, so it makes sense that you record what tools you have with www.immobilise.com and get them uniquely marked.

To that end, I will be holding two separate property marking events at Bromyard Police Station, so that people can bring their tools to be marked with Cre Mark. Property marking tools make them unique and traceable to you.

Saturday 25th November 2017 from 1400-1600 at Bromyard Police Station

Sunday 10th December 2017 from 1030-1230 at Bromyard Police Station

I may not be able to mark all your tools in your van, but certainly the most valuable to you/expensive ones. If you are unable to make these dates, please get in touch via: Stephanie.annette@westmercia.pnn.police.uk and we can look at making other arrangements.

Other Dates for your diary:

Monday 27th November 2017 1100-1200 Bromyard Post office with PcsO Sue Berrett.

PcsO Berrett will be in attendance at Bromyard Post Office for you to go along and discuss any issues or local policing concerns with her. There is also a separate room if the matter you wish to discuss is private.

Saturday 18th November 2017 from 1200 onwards Bromyard Christmas light turn on

Members of the safer Neighbourhood Team will be in and around Town all afternoon/evening. If you have any questions, just grab their attention. .

Suspicious incident

0443-S-301017 A suspicious white van was seen asking after batteries in the area of Bodenham. VRM DL52 JLX. The driver was challenged by the property owner and quickly left. (Thanks again to a rural watch member)

Thank you to everyone who is phoning through suspicious vehicles, it is much appreciated and helps us keep on top of who is in and around our patch.

Scam

A Bromyard company owner has reported this scam to us (thanks for the heads up!): HAD A PHONE CALL THIS AFTERNOON FROM STEPHEN JOHN KING AND HE SAID HE WAS FROM WORCESTER CROWN COURT. HE SAID I HAD A HIGH COURT WRIT AGAINST ME AND THAT TO AVOID BAILIFFS COMING TO MY ADDRESS THAT I HAD TO PAY £2,900 OR THE AMOUNT WOULD DOUBLE. THE NUMBER HE CALLED FROM WAS WITHELD.

All the latest scams and fraud information can be found at www.actionfraud.police.uk

Good News

A cannabis farm has been discovered in Ullingswick. Offenders had tampered with the electric supply to outbuildings, which have been altered to enhance the specialist grow. Over 400 plants have now been destroyed and arrests have been made.

A vehicle has been seized in Hope under Dinmore for various motoring offences. The driver will face hefty fines and will have points added to their driving licence. Would have been cheaper to tax/ insure it in the first place!

Right that's it for now folks, remember don't make it easy for thieves, keep it locked.

Kind regards,

Steph
