## *St Michael's Church*

Dear Friends,

The season begins to change, apples, nuts and berries appear in the hedges and gardens. The colour of the landscape around us begins to take on a different tone. The days grow shorter. While the people of the world go on filling the news with noise and strife, the world of nature gets on with the job of providing enough seed for next year's growth, animals and birds rest after their busy time of rearing their young, and prepare for a leaner season.

"As long as the earth endures, seedtime and harvest, cold and heat,

summer and winter, day and night, shall not cease." (Genesis 8:22)

God's great promise to Noah and his family remind us that whatever we do, however we treat the earth and its resources, the great cycle of nature will go on, even in places blighted by pollution or natural disasters. The countryside around us brings us great joy, we have fresh air and clean streams and rivers, lovely walks and favourite places to stop and rest. But while we are surrounded by such beauty and tranquillity, there are so many places where people are in

desperate need, where there is no peace to be found in the land. In our prayers we thank God for all that he has given us, we pray for justice and an equal sharing of the world's resources. As we pick those delicious blackberries from our hedges, or enjoy the taste of home grown vegetables, in those moments of simple pleasure may we always remember that God gave us the world so that all people might live fruitful lives. While we work hard to keep our countryside as productive and as lovely as it is, may we find ways to support all the agencies who seek to help communities that have so little, and that face so many challenges to their way of life.

"Lord we know we live in a divided world: while we enjoy the fruits and beauty of the countryside, others toil with parched and barren soil, or floods.

Many of us struggle to lose weight, while others know nothing but hunger. Help us to find ways to redress the balance and to show we care. Amen.

(Christian Aid)

Yours in Christ,  
Heather

## PARISH COUNCIL NEWS

### CHAIRMAN'S REPORT

The Council have met in July and August and I am very pleased to confirm that we have co-opted new members to the Council and are now at full strength. The new members are Katy Wrathall, Rhianon Powell, Tony Mitcheson, Dennis Jackson, Bob Clarke and Jeff Pollard.

At the August meeting we invited the Joint Masters of the North Hereford Hunt to attend and discuss the issues which have been highlighted recently regarding dog mess and noise. Members of the public were given an opportunity to raise their concerns and I hope you can see that the situation has improved.

The Hunt are holding an 'Open Afternoon' from 3.00pm to 5.00pm on 4th September when local people can visit the kennels and understand more about its day to day activities.

The Council has also set up a sub-group to advise on planning matters and this will consist of three councillors, Pam James-Moore, Katy Wrathall and Bob Clarke. Meanwhile, Dennis Jackson will represent the Council on the Parish Hall Committee and Tony Mitcheson will represent the Council on the Bodenham Flood Protection Group.

Derek Ling, Chairman

### COMMUNITY-LED PLAN

The Steering Group have been meeting regularly to progress the development of our Plan and to identify specific actions that should be undertaken. Initially the Group will present its findings and proposals to the Parish Council at the September meeting and then have a follow up meeting on the 24th September which will be open to everyone.

Some actions have already been organised:

- \* a litter pick day will be held on Saturday 1st October: details to follow.
- \* all those who wanted to be part of the Rural Watch scheme can now sign up: details can be found in this Newsletter and are also posted on notice boards and the website.
- \* Now is the time to get involved and volunteer for the many initiatives which are planned!

### FOOTPATH EXTINGUISHMENT AND DIVERSION

Herefordshire Council has ordered the extinguishment of part of footpath BM12 and the diversion of part of that footpath. Herefordshire Council has also ordered the extinguishment of part of footpath BM13. Maps showing these changes can be seen on the Parish Council noticeboard at Saffrons Garage and under 'Council Documents' on the Parish Website ([www.bodenhamparish.org.uk](http://www.bodenhamparish.org.uk)). Any representations or objections must be lodged with Will Steel, Public Rights of Way Manager ([will.steel@amey.co.uk](mailto:will.steel@amey.co.uk)) by 9th September.

### NEW BRIDLEWAY

The Secretary of State has confirmed an order to add to the public rights of way a bridleway from the C1125 in Bodenham (starting just south of Rowberry Lane) to Preston Wynne. A map of the bridleway can be seen on the Parish Council noticeboard at Saffrons Garage and on under 'Council Documents' on the Website ([www.bodenhamparish.org.uk](http://www.bodenhamparish.org.uk)). Any queries must be raised with Michael Mable ([mable@amey.co.uk](mailto:mable@amey.co.uk)) by 21st September.

### FLICKR GROUP FOR BODENHAM

A group has been set up on Flickr for photos of Bodenham. The link is <http://www.flickr.com/groups/bodenham/>. There are not many photos on yet. Any parish groups may link to it and use images if the necessary copyright restrictions are observed. For more details contact [katywrathall@yahoo.co.uk](mailto:katywrathall@yahoo.co.uk)

### DINMORE SPOUT

The Parish Council has again been notified by the Scientific Officer in the Environmental Health and Trading Standards department at Herefordshire Council that the water at the spring serving Dinmore Spout is not fit to drink. For the scientifically minded, it was found that there were 32 mpn of clostridia perfringens per 100ml of water on 22nd June and 24mpn on 4th July (compared to 8mpn in May). The safe limit is zero per 100ml! Clostridia perfringens is the third most common cause of food poisoning in the UK. You have been warned.

**DID YOU KNOW?**.....that details of many of the items above, together with news of forthcoming events, the activities of local clubs and societies, advertisements by local businesses, crime prevention alerts, copies of the Bodenham Newsletter, the Minutes of Parish Council meetings and much, much more can be found on the Parish Website:

[www.bodenhamparish.org.uk](http://www.bodenhamparish.org.uk)

### FINALLY....

The next Parish Council meeting will be held at 7pm on Monday 5th September at the Siward James Centre. The meeting will begin with a presentation on the Community-Led Plan. Copies of the agenda are placed on parish notice boards in advance and everyone is most welcome to attend and raise any matters of concern during the slot reserved for this purpose during the meeting. If you prefer you can raise matters in advance by contacting Chris Smith, Parish Clerk, on 01568 797132 or by email at [vfork.lightning@gmail.com](mailto:vfork.lightning@gmail.com).

**Bus Service Update**

The recent Council consultation has been completed 'and analysed, and changes to bus services will occur from 23rd October. Our 426 service will be losing the Friday and Saturday evening journeys, but it appears that everything else will be retained. Thanks to the large number of people from Bodenham who took part in the consultation, which undoubtedly helped the retention of most of our service. However there is no room for complacency. This route will be due for re-tendering in the future so it is important that we keep making good use of the bus.

Full details of the consultation and proposed changes to all the bus services in Herefordshire can be found on the Council website. Some of the main findings of the consultation were:

- Top priorities for people are Monday to Friday daytime, Monday to Friday early mornings, and Saturday daytime.

- The main reasons are access to essential services such as health and shopping, and to education and employment. It was also recognised that the bus is a lifeline for people.

A report on the consultation included a map showing the level of responses from different parts of the County, and I am pleased to say that Bodenham shows a high level of response. Thanks again for your support and I will keep you informed of any developments in future Newsletters.

## BODENHAM BOWLING CLUB

The 2011 season continues apace and as I write this we have FOUR friendly matches left to play.

We play Eardisland at home on 20th August at 15.00, Bulmers at their green at 15.00 on 27th August and then we are to the final 2 matches of the 2011 season. We play Eardisland on their green at 15.00 on 3rd September and then Weobley at home at 18.00 on 6th September

Hopefully the club competitions will all have been concluded before the final friendly and then we can all look forward to the 2012 season, which hopefully will be well attended by members old and new.

Here at Bodenham we are fortunate in having a group of dedicated members who have supported Colin Walters in ensuring that the green has been in excellent condition throughout the season. Visiting players have all commented on how good the green has played.

To conclude it is with great pleasure that I convey the congratulation of all the members to COLIN WALTERS. Colin is this year's men's single winner of the Herefordshire County Bowling Association. He now goes on to represent the county at the National Competition at Worthing this Bank Holiday weekend...**very good luck Colin and congratulations once again.**

We will be announcing the date and time of the Annual General meeting soon so please ensure you attend, and help the club make plans for 2012.
