

BODENHAM PARISH

COMMUNITY-LED PLAN QUESTIONNAIRE FOR THOSE UNDER 18 YEARS

This questionnaire is intended to allow all young people living in Bodenham Parish to have their say about what they think of the present state of the Parish and how they would like to see it develop in the future. In July we held Planning for Real® Open Days in the Parish Hall and the Seward James Centre, as well as a Planning for Real® session for pupils and parents at St Michael's School. The questions in this survey reflect the comments made during these events, together with a number of other topics on which we would like to know what you think.

This questionnaire is completely anonymous and confidential. This means that we don't know who you are, and your answers will only be used for this survey and not passed on to anyone else. This questionnaire is being distributed to everyone between the ages of 5 and 18 in the Parish and will be collected on Saturday, 23rd October 2010 or during the following week. We very much hope that you will answer the questions so that your ideas can be taken into account when the future development of the Parish is considered. If you need any further copies, they can be obtained from Derek Ling by contacting him by telephone on 01568-797389 or e-mail at derek.ling@ymail.com.

Parents of young children can help them to complete the questionnaire, if necessary.
